Thank you for your partnership with Deck The Chairs (DTC). Your support will directly impact more than 2000 students across the First Coast who are involved in the arts. Now in our 14th season, DTC is growing its mission benefiting students in the arts by adding more year-round programming. We can only do this through the support of partners like you.

**Who Will Take Home The 2026
JBDTC Best of Show Award?**

Decorating Your Award-Winning Chair

At the heart of Jacksonville Beach Deck The Chairs (JBDC) exists the wonderfully imaginative, decorated lifeguard chair exhibit. Every year, the JBDC audience selects the top four chair designs and awards four additional honorable mentions. There are no rules or major criteria for a decorated chair to receive an award – originality and craftsmanship are all that matter. The decorating experience should be challenging, fun and filled with the intention of sharing joy.

- 1) *DON'T* hold back on a good idea. There are countless fun and creative ways to decorate an award-winning chair.
- 2) *DO* enlist the help of an artist and/or craftsman who enjoys the challenge of creating and building.
- 3) *DO* look at past JBDC winning chairs to get additional ideas.
- 4) *DO* attend regular monthly JBDC Decorating Workshops (see schedule provided).
- 5) *DON'T* arrive at JBDC without a plan. Develop a realistic pre-build schedule if necessary.
- 6) *DON'T* stop your work after the initial install. If you are not satisfied there is additional time.

How the Voting Works

The audience is offered ballots on opening night and again the following Sunday night. More than 300 ballots are distributed. One ballot per person is requested. The JBDC Decorating Committee tallies the votes and the top three recipients as well as a "best of show" (top award) are announced with four honorable mentions during Night of Music and Dance (the third weekend of JBDC).

All winners receive a keepsake commemorative award plaque. All chairs earn smiles:)
